

Dear Colleagues,

I am very happy to introduce you second issue of our e-journal and I would like to thank you all for your great interest to our first issue published in October 2015.

You are very welcome to join our Facebook group “International Laparoscopy and Robotic Surgery Association” in order to share your academic and surgical experiences in addition to your thoughts and ideas with us. You can also share your surgical videos in this platform and a scientific article is discussed every day of the week with comments received from the readers.

I would like to thank you all for your contributions and support!

With kind regards,

Dr. I. Yasar Ozgok
