

Dear Colleagues,

It is a great pleasure for us to introduce the September 2016 issue of our e-journal to you. At the same time, this issue is the 1st-year issue of our e-journal.

In the present issue, we have six point-of-technique video-articles with accompanying surgical videos related with Robotic Urology, Laparoscopic Urology, Laparoscopic General Surgery and Endourology. We also have interesting meeting reports.

We would like to take this opportunity to invite you all to submit your articles and videos to Robotics, Laparoscopy & Endosurgery and visit its website [www.robotictimes.org](http://www.robotictimes.org).

We hope this journal and platform gives the opportunity of sharing experience and knowledge with published articles & videos in an international settings.

With kind regards,
